Supervisor Biane Presents \$1,000,000 Check to City of Fontana

Fontana, CA - At the biweekly City Council meeting in Fontana on Tuesday, May 3, 2005, Supervisor Biane presented a check for \$1,045,000 to the City of Fontana for four capital improvement projects the City is either spearheading or working jointly with the County of San Bernardino to complete.

The capital improvements projects funded in the check were the "Rails-to-Trails" project, which would be a walking trail connecting the cities of Claremont, Upland, Rancho Cucamonga, Fontana and Rialto and any unincorporated areas of San Bernardino and Los Angeles counties, funds for the planned Fontana Library and Resource Technology Center, assistance to the City of Fontana's operations of the Fontana Teen Center, and money to construct sidewalks at Fontana Unified School District schools located in the unincorporated areas of Fontana - namely, Juniper Elementary School, South Tamarind Elementary School and Truman Middle School.

"As supervisor, I work hard to bring money back to the communities I represent, including Fontana," said Supervisor Biane. "With a new partner in former Fontana City Councilwoman, and now Fifth District Supervisor Josie Gonzales, I

know that Fontana will be well-served by the two of us on the Board of Supervisors.”
